how to use

Finally, a better solution to the rolled up towel!

Hold the Utterly Yours™ Breast Pillow in the palm of your hand; compress the pillow with your thumb and fingers; position the pillow under your breast at the base; then release the pillow.

The pillow will return to its original shape... lifting and supporting your breast in comfort while securely holding your breast in position for hands-free nursing.

- Lifts and Supports
- Holds your breast in position for hands-free nursing
- Easy to care for and easy to use
- Comfortable against the skin
- Cover is machine washable
- Pillow is made of a high density memory foam
